Again this year, our tournament will be dedicated to Robert Guiffreda, former District Superintendent of E2CCB. Bob dedicated his life to education and the well-being of children. In his honor, the Committee will be providing five scholarships in the amount of \$500 for one student in each of the following areas: Special Education, Alternative Education, Career and Technical Education, Adult Education, and P.Tech. We will also be providing one \$500 scholarship in honor of the late Kip Feinen, former Hewes principal.
