- (i) the assets and liabilities, including the trust funds, of the Foundation as of the end of a twelve month fiscal period terminating not more than six months prior to the meeting (the "Fiscal Period");
- the principal changes in assets and liabilities, including trust funds, during the Fiscal Period;
- (iii) the revenue or receipts of the Foundation, both unrestricted and restricted to particular purposes, for the Fiscal Period; and
- (iv) the expenses or disbursements of the Foundation, for both general and restricted purposes, during the Fiscal Period.

In accordance with Article 6, this document will serve as the Foundation's Annual Report for the fiscal period of January 1, 2021 through December 31, 2021 ("2021 Fiscal Period").

#### **Activities**

The 2021 fiscal year was a year filled with challenges and opportunities. Similar to the 2020 fiscal year, the ongoing COVID-19 pandemic continued to disrupt the traditional school setting. Although schools were generally able to remain open, social distancing requirements resulted in many schools utilized a hybrid model of instruction for the first half of the 2021 fiscal year. This hybrid format varied from district to district, but generally combined both in-person and remote instruction, with students attending school in person every other day.

In addition to the ongoing instructional challenges, the COVID-19 pandemic continued to limit the ability to conduct in-person fund raising activities, such as the Fredonia Mini-Maker Faire. Nevertheless, the Foundation continued to provide support and create opportunities for students consistent with its mission.

#### **Fundraising Activities**

During the 2021 Fiscal Period the Foundation continued to seek opportunities to support students and programs within E2CCB. The Foundation maintained its website (www.E2CCBFoundation.org) and continued accepting donations online via PayPal.

After a brief hiatus during the 2020 fiscal period, the Foundation worked with partners to plan and host the 8<sup>th</sup> Annual Robert Guiffreda Memorial Scholorship Golf Tournament on July 9, 2021. This tournament is dedicated to Robert Guiffreda, former District Superintendent of E2CCB and beloved educator and advocate for children. Mr. Guiffreda dedicated his life to education and

the well-being of children. In his honor, the proceeds of this tournament were used by the E2CCB Wellness Committee and Educational Foundation to provide five scholarships in the amount of \$500 for one student in each of the following areas: Special Education, Alternative Education, Career and Technical Education, Adult Education, and P-TECH. A portion of the proceeds were also used to provide one \$500 scholarship in honor of the late Kip Feinen, former principal of E2CCB's Hewes Educational Center. Once the scholarships were awarded, the remaining proceeds are used to provide E2CCB Educational Foundation Student Support pro-

Grants. These grants support the needs of our students in economic crisis by purchasing required supplies or

materials for personal use (steel-toed boots, uniforms, tools and, equipment, etc...) or meeting the immediate needs of students (warm, clean, appropriate clothing or hygiene supplies).

In addition, the Foundation held its second annual *Ten Days of Holiday Cheer* fundraising campaign. For ten days in December 2021, individuals were asked to donate any amount they could to support the Foundation's mission. The names of those who contributed were entered in a drawing for 36 prizes, including a Josh Allen jersey, gift cards to Amazon, Wegmans, Walmart

and Salvatore's, tickets to performing arts venues across the region, gift baskets and other donated prizes. For every \$10 donation, the donor's name was entered into the drawing once. For every \$25 donation, the donor's name was entered three times. At the end of the campaign, there were 234 entries into the drawing, resulting in a total of \$1,965 raised to support students.

#### <u>Grants</u>

During the 2021 Fiscal Period, the

Foundation continued to focus on administering the grant previously awarded as part of the Workforce Development Challenge. This award has resulted in funding provided by a grant from

Students enrolled in the Culinary Arts program at the Carrier Educational Center competed in the virtual NYS ProStart Invitational this year and were awarded with two first-place finishes.

Empire State Development administered by the Community Foundation for Greater Buffalo. This funding supported the purchase of equipment and supplies for the E2CCB Health Careers Academy & Training Center (HCATC). The HCATC will prepare high school students & adults for a career pathway in the healthcare industry, including Licensed Practical Nursing, Phlebotomy Technician, Bilingual Medical Transcriptionist, Certified Nursing Assistant, Personal Care Aide, and Home Health Aide. Due

to the size and scope of the Workforce Development

Challenge Grant, a great deal of time was devoted to

identifying and purchasing equipment and supplies for the HCATC.

Much of the Foundation's efforts during the 2021 Fiscal Period were focused on securing funding to assisting E2CCB in conducting a comprehensive needs assessment in the E2CCB

service area to better understand and meet the needs of students, families, and staff ("Needs Assessment"). In March 2021 the Ralph C. Wilson, Jr. Foundation awarded the Foundation a grant of \$20,000 to support Phase I of the Needs Assessment process designed to improve services offered, including career and technical education (CTE) programs for young adults in the Southern Tier. Shortly thereafter, the Chautauqua Region Community Foundation and the Northern Chautauqua Community Foundation each awarded the Foundation \$5,000 to assist with conducting the Needs Assessment.

In September 2021, representatives from the Ralph C. Wilson Foundation visited E2CCB, including the WNY P-TECH STEM College & Career Academy (pictured above), located in Dunkirk, NY.

The 2021 Fiscal Period also included a generous award from the Garman Family Foundation in the amount of \$13,000 to support Reading Between the Lines project. This project purchases ebooks for students at component school districts identified as having high economic disadvantaged student enrollment. The selected books offer diverse characters and points of view, with a focus on Latino/Latina, Native American, and female protagonists.

#### **Opportunities**

As in prior years, during the 2021 Fiscal Period much of the Foundation's efforts have been behind the scenes, working with teachers, counselors, and principals to ensure students have the opportunity to participate in learning. Through request forms, the Foundation assisted students in taking full advantage of the many career-focused E2CCB programs. These requests are used to offset the expense of resources and materials a student needs to successfully complete a program and move towards a career. At other times, the Foundation has worked with nurses and counselors to help students get the basic resources necessary just to attend school. During the 2021

Students enrolled in the CAM P-TECH program in the electrical pathway recently worked with Gary Horton, Facilities Manager for the Erie County Fairgrounds, to repair electrical boxes in preparation for The Erie County Fair, Aug. 11-22, 2021.

year, the Foundation received and fulfilled requests for students in need of clothing; winter gloves, boots, hats and coats; and personal hygiene supplies such as undergarments, toothbrushes, toothpaste, deodorant, and shampoo. While these items appear insignificant, they are often the reason a student is able to continue attending school.

During the 2021 year, the Foundation also administered the Christopher T. Kerr Memorial Scholarship, an annual scholarship awarded to a graduating senior currently enrolled in the culinary arts program at E2CCB that shares the late Christopher Kerr's passion for the culinary arts.

#### Assets and Liabilities

The Foundation's total income for the 2021 Fiscal Period was ninety-eight thousand five hundred thirty-four

dollars and 86/100 (\$98,534.86). During the 2021 Fiscal Period, the Foundation expended nine thousand, three hundred forty-eight dollars and 91/100 (\$9,348.91).

At the conclusion of the 2021 Fiscal Period, the Foundation's Assets amounted to seventythree thousand, five hundred eighty-two dollars and 51/100 (\$73,582.51). A more detailed description of the income and expenses for the 2020 Fiscal Period is set forth in the attached Profit and Loss Statement.

#### **Forward Thinking**

As the 2022 Fiscal Period is underway, the Foundation looks to expand its efforts to secure additional donations and grants from a broader network of donors.
